ANNOUNCING A PARENT REFERRAL PROGRAM!

Dear Parents:

Thank you for your positive word-of-mouth we are receiving in the community. As per your suggestions, we are excited to announce a Parent Referral Program. Effective immediately we will be showing our appreciation to any parent who refers a child to attend our school.

If the referral is for:

- ◆ **Preschool Program** : you will receive the credit of **\$100 towards tuition per child referred** divided in two equal installments of \$50 (effective the start date of the referred child).
- ◆ **Kindergarten Program** :you will receive the credit of **\$100 towards tuition per child referred** (effective the start date of the referred child).
- ◆ **School Age Program (not applicable for Summer Program)** : you will receive the credit of **\$50 towards tuition per child referred** divided in two equal installments of \$25 (effective the start date of the referred child).
- ◆ **Half-Day program**: you will receive the credit of **\$50 towards tuition per child referred** (effective the start date of the referred child).

Please make sure that the family enrolling **writes your name in the enrollment form as the referral** so we can apply the credit on your tuition (no exceptions will be made if your name is not on the form).

Thank you again for all the referrals.

Stuart and Elena Friedman
